

## Baby it's you - 1/3

Interprété par Aaron Carter.

yeah come on now (7x)

Too hot  
Lookin' fantastic  
no nips or tucks or plastic  
The way  
she works the magic  
she's got me like an addict  
i'm not a dreamer fantasizing  
what this could mean  
gotta move on  
gotta play the feild  
gotta be strong  
no time to kill

so check out the girl  
on the corner of mason  
lookin' kinda crazy  
I'm amazingly dazed, man  
let me here ya say 'yeah'  
hey, yeah  
check out the way  
that she ties up her laces  
Puttin' a smile on our faces  
i say hey (hey) ho (ho)

Baby, it's you that I want  
So come a little closer and don't get me wrong  
I'm kinda shy  
but I know what I want  
I'm crazy for you  
so baby, let's get it on

oh come on now (4x)

Too hot  
Lookin' like crazy  
no if's or but's or maybe's  
no time to blind or phase me  
your body  
activates me  
ooooo  
shes throwin' her hair back  
ahhhh  
and i kinda like that  
gotta move on
