

It's in your eyes - 1/2

Interprété par Kylie Minogue.

What on earth am I
meant to do In this
crowded place
there is only you
Was gonna leave now
I have to stay
You have taken my breath away

ooh ooh ooh ooh ooh ooh
Is the world still spinning around (spinning around)
ooh ooh ooh ooh ooh ooh
I don't feel like I'm coming down

It's in your eyes
I can tell what you're thinking
My heart is sinking too
It's no suprise
I've been watching you lately
I want to make it with you

Destiny has a funny way
When it comes and takes all your cares away
I can't think of a single thing
Other than what a beautiful state I'm in

ooh ooh ooh ooh ooh ooh
Is the world still spinning around (spinning around)
ooh ooh ooh ooh ooh ooh
I don't feel like I'm coming down

It's in your eyes
I can tell what you're thinking
My heart is sinking too
It's no suprise
I've been watching you lately
I want to make it with you
