

## Only you - 1/1

**Interprété par The Caesars.**

Baby you've got ears just like Dumbo  
It's so sweet  
And your knees knock together  
When your walking down the street  
Your eyes never look in the same direction  
At the same time  
I don't think you're the smartest girl on the block  
But I don't mind

Only you can reach my heart  
Only you and no one else  
Only you can reach my heart  
Only you can reach my heart

Everytime we go out  
People stop and stear  
And they talk about us  
And they don't understand what we got  
We got true love baby  
We've synchronised our heartbeats  
And we got the same size in shoes  
Yes we do

Only you can reach my heart  
Only you and no one else  
Only you can reach my heart  
Only you can reach my heart
