

## Faithfulness - 1/1

**Interprété par Skin.**

Faithfulness

Distracts me from my ever changing

Tastefulness

My mouth upon the richest tongues

I run for this

Static at the same time by it all

Common sense

Can slap me in the face

And yet I calm dissent

Embarrassed by your obvious

Indifference

Disgusted at the same time by it all

Watching as my ego breaks your fall

Don't you know that I've

Been running from you heart

And I feel like you've been running too

Don't you know that I've

been lying from the start

And I feel like you've been lying too.

Leave you now

Can't convince myself

That you're the one somehow

To free me from this smile

I call my loneliness

Stuck inside this need to feel complete

Now I've left you standing on your feet

Don't you know that I've been

running from you heart

And I feel like you've been running too

Don't you know that I've been

lying from the start

And I feel like you've been

lying too.

Faithfulness is just a little rule

We break

Still pretending lust was just a fool

we faked, we made
