

Concrete jungle - 1/1

Interprété par Bob Marley.

No sun will shine in my day today
The high yellow moon won't come out to play
I say darkness has covered my light
And has changed my day into night
Where is the love to be found ?
Won't someone tell me cos life
Must be somewhere to be found
Instead of concrete jungle
Where the living is hardest
Concrete jungle
Man, you've got to do your best, oh yeah

No chains around my feet but I'm not free, oh
I know I am bound here in captivity
And I've never known what happiness is, yeah
I've never known what sweetness is, still
I'll be always laughing like a clown
Won't someone help me cos
I've got to pick myself from off the ground, yeah
In this concrete jungle
I say what do you've got for me now ?
Oh !
Concrete jungle
How won't you let me be now
Yeah, oh now
I said that life must be somewhere to be
Found, oh
Instead of concrete jungle
Illusion, confusion
Eh, concrete jungle
You name it, we've got it in concrete jungle now
Eh, concrete jungle
What do you've got for me now ?
