They don't want to see unite
'Cause all they want us to do is
Keep on fussing and fighting
They don't want to see us live together
I tell you all they want us to do is
Keep on killing one another

Top rankin', top rankin'
Are you skankin', are you skankin'(1)
Top rankin', top rankin'
Are you fooling one another
When you say you wanna come together

They say the blood runs
And it runs thru our lineage
And our hearts, heart of hearts divine

John sey them comin' with the truth
From an ancient time

Brotherly love, sisterly love
I feel this morning
I feel this morning
Brotherly love, sisterly love
I feel this morning

They don't want us to unite
'Cause all they want us to do is
Keep on fussing and fighting
They don't want to see us come together
All they want us to do is
Keep on killing one another
