

Write this down - 1/1

Interprété par George Strait.

I never saw the end in sight fools are kind of blind
Thought everything was going alright but I was running out of time
'Cause you had one foot out the door I swear I didn't see
But if you're really going away here's some final words from me

Chorus:

=====

Baby write this down take a little note to remind you in case you didn't know
Tell yourself I love you and I don't want you to go write this down
Take my words read'em every day keep'em close by don't you let'em fade away
So you'll remember what I forgot to say write this down

music

I'll sign it at the bottom of the page I'll swear under oath
'Cause every single word is true and I think you need to know
So use it as a bookmark stick it on your refrigerator door
Hang it in a picture frame up above the mantel where you'll see it for sure

Chorus

You can find a chisel I can find a stone
Folks will be reading these words long after we're gone

Chorus

Oh I love you and I don't want you to go baby write this down
