

Let it be broke - 1/1

Interprété par Afi.

I live in truth, complacently.

Where's the threat you see in me?

Am I the cause of your self consciousness?

You scream at me

'cause I can't ignore the destructiveness that you support,

'cause my life's contrary to yours.

No soft words from my mouth.

A glazed look in your eyes.

I live in the world of reality, you comfort yourself with lies.

I will release myself, I will detach myself from you.

I will detach myself from your kind.

I've seen your life but I can't see how it is

that you can be so content in your own ignorance.

Its been so dark for so long now a new light has come along,

illuminating all, so shut your eyes.

I won't tell you what you want to hear,

I will show you what's real. i will, will defy.
