

Hands - 1/1

Interprété par The Raconteurs.

Girl, you've got those hands, that heal
Help me get in touch with what I feel
Cause you understand and you sympathize
And you know me best, it's no surprise

When you're with me there's a light
And I can see my way
When you speak to me it's a song
And I know what to say

Girl, you've got those eyes, that see
Help me find the good that's inside me
Cause you're the only one who really know
How the feeling comes and why it goes

When you're with me there's a light
And I can see my way
When you speak to me it's a song
And I know what to say

Oh oh oh oh oh oh oh ohohoho
Oh oh oh oh oh oh oh ohohoho
Oh oh oh oh oh oh oh ohohoho
Oh oh oh oh oh oh oh ohohoho

When you're with me there's a light
And I can see my way
When you speak to me it's a song
And I know what to say
When you listen there's a hope
And I know I'm being heard
When you smile at me
And I know that we don't have to speak a word
When you're with me there's a light
And I can see my way
When you speak to me it's a song
And I know what to say
