

## Year zero - 1/1

**Interprété par 30 Seconds To Mars.**

Be a hero  
Kill your ego  
It doesn't matter it's all just a pack of lies  
Build a new base  
Steal a new face  
It doesn't matter it's all just to save you

We'll never fade away  
We'll never fade away

I will stand by your ground  
I will tear down myself  
I won't fade

Year zero  
Another hero  
Is anybody alive here across the line ?  
Buy a new face  
Start a new race  
It doesn't matter it's all just to save your face  
It's all just to save you  
It's all just to save your face  
It's all just to save you

We'll never fade away  
We'll never fade away

I will stand by your ground  
I will tear down myself  
I will stand by your ground  
I will tear down myself  
I won't fade  
I won't fade

We'll never fade away  
We'll never fade away  
We'll never fade away  
We'll never fade away

We'll never fade away  
We'll never fade away (We will never fade away)  
We'll never fade away (We will never fade away)  
We'll never fade away (We will never fade away)  
We'll never fade away (We will never fade)  
We'll never fade away (We will never fade away)  
We'll never fade away (We will never fade)  
We'll never fade away
