

Take a bow - 1/1

Interprété par Muse.

Corrupt
You're corrupt
Bring corruption to all that you touch
Hold
You behold
And beholden to all that you've done
And Spin
Cast as spell
Cast as spell on the country you run
And risk
You will risk
You will risk all their lives and their souls
And burn
You will burn
You will burn in hell,yeah you'll burn in hell
Yeah you'll burn in hell
Yeah you'll burn in hell
For your sins
And our freedom's consuming itself
What we've become
It's contrary to what we want
Take a bow
Death
You bring death,and destruction to all that you touch
Pay
You must pay
You must pay for your crime against the earth
Yeah hex
Feed the hex
Feed the ex on the country you love
Now beg
You will beg
You will beg for their lives and their souls
Now burn
You will burn
You will burn in hell,yeah you'll burn in hell
Yeah you'll burn in hell
Yeah you'll burn in hell
Yeah you'll burn in hell
Yeah you'll burn in hell
For your sins
