

## Missing you now - 1/1

Interprété par Michael Bolton.

I talk to you but it's not the same as touchin'you  
And evers time you whisper my name, I wanna run to you  
We'll be together it won't be long, it won't be long  
But it feels like forever and it's hard to be strong

Chorus:

=====

Baby'cause I'm missing you now  
And it's drivin' me crazy  
How I'm needin'you baby  
I'm missing you now  
Can't wait till I'm alone with you  
To show you how I'm missing you now

Wishin'you were here by my side is all that I can do  
Got my arms around my pillow at night they should be holdin'you  
Throught I was stronger how could I know, how could I know  
I can't take this much longer  
It's so hard on my soul

chorus

Baby I just can't wait  
Till I see your face  
Chase away this loneliness inside

When you're close to my heart  
Right here in my arms  
Then and only then  
Will I be satisfied  
I'm missing you now

music

I know  
We'll be together, it won't be long, it won't be long  
But it feels like forever and it's hard to be strong

chorus

I'm missing you
