

## The greatest - 1/1

**Interprété par Cat Power.**

Once I wanted to be the greatest  
No wind of waterfall could stall me  
And then came the rush of the flood  
Stars of night turned deep to dust

Melt me down  
Into big black armour  
Leave no trace of grace  
Just in your honour  
Lower me down  
To culprit south  
Make 'em wash a space in town  
For the lead  
And the dregs of my bed  
I've been sleepin'  
Lower me down  
Pin me in  
Secure the grounds  
For the later parade

Once I wanted to be the greatest  
Two fists of solid rock  
With brains that could explain  
Any feeling

Lower me down  
Pin me in  
Secure the grounds  
For the lead  
And the dregs of my bed  
I've been sleepin'  
For the later parade

Once I wanted to be the greatest  
No wind of waterfall could stall me  
And then came the rush of the flood  
Stars of night turned deep to dust
