

# Forever isn't long enough - 1/1

Interprété par Michael Bolton.

The thinkin' of the clock  
The beating of my heart  
Pounding like a drum  
In the dark for you  
If I could conquer time  
I'd love you day and night  
And make this moment last  
Baby all my life  
Ask me how long I'll need you  
Ask me how long I'll be there

Chorus:

=====

Forever isn't long enough  
To give you my love, to give you my love (baby)  
Till the end of time ain't time enough  
For everything I wanna do  
Forever isn't long enough  
To give all my love to you

I watch you as you sleep  
I'm jealous of the night  
I'd steal you from your dreams  
Just to buy more time  
So much in my heart  
So much in my soul  
A lifetime ain't enough  
To ever let you know  
Tell me this will be for always  
Tell me you'll always be there

chorus

'Cause the time is passin' by  
And the more it slips away  
When I look into your eyes  
I know baby

It isn't long enough, to give you my love  
Forever ain't enough to give it all to you  
There isn't time enough to see it all through  
Forever ain't enough to give my love to you  
Ask me how long I'll need you  
Ask me how long I'll be there

Chorus (x3)
