

## We ride - 1/2

**Interprété par Rihanna.**

Ride when we ride we ride  
It's til the day we die  
When we ride we ride  
It's til the day we die

It's real late  
Bout a quater to 1  
Thinkin about everythang  
We become  
And I hate it  
I thought we could make it  
But I'm ready to scratch this  
Just wanna forget about it  
I saw the pictures  
And the letters she sent  
U had me thinkin  
U were out we your friends  
I'm so foolish  
Hate me like I'm stupid  
Cuz i thought it was just u and I (oh)

Now I look back on the time  
That we spent and  
I see it in my mind  
Playing over and over again  
Its far and out  
U got me breaking down  
And I just can't figure out why  
But this is what u say

Ride when we ride we ride  
It's til the day we die  
When we ride we ride  
It's til the day we die

Visions in my mind  
Of the day that we met  
U showed me thangs  
That'll never forget  
Took me swimming  
In the ocean  
U had my head up in the clouds  
Make me feel like im floating (yeah)  
U think im playing  
When u now its the truth  
Nobody else can do it  
Quite like I do

## We ride - 2/2

All my kisses  
And my lovin  
But aint nobody  
Better than us

I guess its over  
And definitely  
But u and I know  
Its not that easy  
To let go  
Of everything (everything)  
And start all over again  
Just bring this up cuz u blew it  
I wont forget how u do it  
Sweet baby  
This is where the game ends now somehow  
Might not believe u and me  
We can figure it out
