

## Still dirty - 1/2

**Interprété par Christina Aguilera.**

Yeah. Yeah.  
Ooh, Ooh, Ohh

If you see me walking down the street  
Or in the pages of your magazine  
Looking just a little differently  
Showing off a softer side of me

They saying I'm looking like a lady  
They say that love has gone and changed me  
But don't be fooled by everything you see  
Gotta let the naughty in me free

There's a woman inside of all of us  
Who never quite seems to get enough  
Trying to play by the rules is rough  
Cause sooner or later something's gonna erupt us

Cause I still got that nasty in me  
Still got that dirty degree (still got it)  
And if you want some more sexy  
Still got that freak in me  
I still got that nasty in me  
Still got that dirty degree (oh yeah)  
And if you want some more sexy  
Still got that freak in me

No matter what you thinking of me, still dirty  
And if you're still rolling with me, still got it  
No matter what you thinking of me, still dirty  
Still got that freak in me

Why is a woman's sexuality  
Always under so much scrutiny?  
Why can't she do exactly as she please  
Without being called a million things?

They say I'm not the girl they used to know (used to know)  
'Cause I don't always wear revealing clothes (oh)  
But don't be fooled the moment I get home (I get home)  
I'm letting loose, giving a private show (don't you know)

There's some women out there who talk and stare  
Who never seem to let down their hair  
Like to past judgment, but they're just scared  
And don't know what they're missing, so they better beware

## Still dirty - 2/2

'Cause I still got that nasty in me  
Still got that dirrty degree (ooh)  
And if you want some more sexy  
Still got that freak in me  
I still got that nasty in me  
Still got that dirrty degree (oh yeah)  
And if you want some more sexy  
Still got that freak in me (oh yeah)

No matter what you thinking of me, still dirrty  
And if you're still rolling with me, still got it  
No matter what you thinking of me, still dirrty  
Still got that freak in me

Don't tell me to behave  
'Cause I'll never play that game (no)  
Don't tell me what to do  
'Cause I'll never be uptight like you  
Don't look at me that way  
'Cause I ain't never gonna change  
And if you're talking about my life  
You're only wasting your own time

If I want to wear lingerie outside of my clothes  
If I want to be erotic in my own videos  
If I want to be provocative, well that ain't a sin  
Maybe you're not comfortable in your own skin

I still got that nasty in me  
Still got that dirrty degree (in me)  
And if you still want some more sexy  
Still got that freak in me  
I still got that nasty in me  
Still got that dirrty degree (in me)  
And if you still want some more sexy  
Still got freak in me

Ooh, yeah.  
Hey, hey, hey.  
Ohh. Ohh. Ohh. Ohh.
