

Falling in bed again - 1/2

Interprété par Robbie Williams.

I met her at an aftershow party
I said have we met before ?
She said hardly
She had a curry stain
That was down her cardie
But her teeth were clean
So I said smartly

I'm falling in love again
I'm so in lust with you
Pillow over head again
I'll suffocate with you
If you ask me to

She was educated at this school called RADA
She was made to go by her mother
And financed by her father
She said Room 211 and I said rather
I got her name wrong once or twice
I said I'll call ya Carol, yeah ?
She said that would be nice

I'm falling in love again
I'm so in lust with you
My Pillow over head again
I'll suffocate with you
If you ask me to

So I strolls of to the reception
And I ask for me room key
The Maitre'D - Hello
He seemed pleased to meet me
I went to the lift and pressed button two
But very discreetly
The doors close and she went for my briefs
See me

Falling in bed again
I'm so in lust with you
Pillow over head again
I'll suffocate in you
If you ask me to

Ohhhhh to

But in the throws of passion
It hit my right between the head

Falling in bed again - 2/2

I looked down at her
She had a bit of cabbage stuck between her teeth

And I said
I think I'm in love with ya
I want ya kids an' getting married to ya
And she said
Chill out
Rome wasn't built in a day
And I said I wasn't on that job
