

## Viva life on mars - 1/2

**Interprété par Robbie Williams.**

I just wanna be

I lost all faith in what I know,  
The future doesn't need me so  
I kick a ball against a wall and  
Head it 'til it don't hurt o more  
Use my cuts and lacerations, feed  
Myself a new sensation, woah,woah  
Take a ride on your hight horse,  
If the horse is blind, use the force  
The falcon files in two straight lines,  
Red five standing by  
It's not a moon, it's a space station,  
It feels good, the good vibration,  
Woah, woah

I know that you know  
Some lovely people  
Send them all an invitation,  
Party to a segregation, woah, woah  
Viva life on Mars i'm calling,  
Sending my frequency to the galaxy  
So you can see people down here

They don't want us to discuss  
The picture in the caves of us  
A nosebleed and a bag of coal,  
Then they put you in a hole  
We're knee deep in information,  
And they can't stop this  
Conversation, no, woah

I know that you know  
Some lovely people  
Send them all an invitation,  
Party to a segregation, woah, woah  
Viva life on Mars i'm calling,  
Sending my requency to the galaxy  
So you can see we're down here

I just wanna be

Love is natural, love is good,  
Not everybody does it but  
Everybody should  
With them and us we've made a mess,  
'til they decide which God is best

## Viva life on mars - 2/2

Free yourself from liberation from  
Lake Geneva to the Freeland Station,  
Woah, woah

I know that you know  
Some lovely people  
Send them all an invitation,  
Party to a segregation, woah, woah  
Viva life on Mars i'm calling,  
Sending my frequency to the galaxy  
So you can see people down here
