

Rich - 1/1

Interprété par Yeah Yeah Yeahs.

I'm rich
Like a hot noise
Rich rich rich
I'll take you out boy
So stuck up
I wish you'd stick in to me
Flesh ripped off
Raaawr

Turnin it beatin no beat
The walls are always speakin
No want no want no want no speakin at all

She slipped
Down a rot drink
Unzipped
She does'nt exist
So unloved
I took'em standin up
So stuck up
Raaawr

I'm rich
Like a hot noise
Rich rich rich
I'll take you out boy
I'll take you out boy

Turnin it beatin no beat
The walls are always speakin
No want no want no want no speakin at all

Turnin it beatin no beat
The walls are always speakin
No want no want no want no speakin at all
