

## Misunderstood - 1/2

**Interprété par Robbie Williams.**

Trying to be misunderstood  
But it doesn't do me any good  
Love the way they smiled at me  
Held their face for eternity  
Now let them all fly off

When it comes down  
It all comes down  
And you will not be found

When it's over  
It's all over  
Even if I make a sound

I'll be misunderstood  
By the beautiful and good  
In this city

None of it was planned  
Take me by the hand  
Just don't try and understand

Trying to be misunderstood  
Just a product of my childhood  
And still I find myself outside  
You can't say I haven't tried  
Perhaps I tried too hard

No excuses  
I won't apologise  
Or justify your lies

Come and find me  
Tell them to me  
Look me in the eyes

I'll be misunderstood  
By the beautiful and good  
In this city

None of this was planned  
Take me by the hand  
Just don't try and understand

Can't forgive, sorry to say  
You don't know you're guilty anyway  
Isn't it funny how we don't speak
