

Lovelight - 1/2

Interprété par Robbie Williams.

What am I supposed to do
To keep from goin under
Now you're making holes in my heart
And yes it's starting to show
I've been holding back
Is it any wonder
Since you walked right into my life
And interrupted my flow

I wanna know
Baby when you're with me
Who do you think you're fooling
Making me feel so sure
Turning your lovelight down again
Why don't you let me be
You don't know what you're doing
Making me feel so sure
And turning your lovelight
Down again

Did it again, did it again

Baby, I've got to know
Are we gonna make it
Laying down beside me tonight
And do whatever you feel
Baby you're in control
Where you gonna take it
Don't you think that I do you right
You know darn well that I will

I wanna know
Baby when you're with me
Who do you think you're fooling
Making me feel so sure
Turning your lovelight down again
Why don't you let me be
You don't know what you're doing
Making me feel so sure
And turning your lovelight down again

Do it again, do it again

Baby you turn the lovelight down
And I don't know
Just how long I can stick around
Gonna need more

Lovelight - 2/2

And it ain't just physical
I dunno what I can do, if I've found
That it's ain't love this time around

Keep turning down your lovelight,
Did it again

Baby when you're with me
Who do you think you're fooling
Making me feel so sure
Turning your lovelight down again
Why don't you let me be
You don't know what you're doing
Making me feel so sure
And turning your lovelight down again
