

Never forget - 1/1

Interprété par Take That.

Been on this path of life for so long
Feel I've walked a thousand miles
Sometimes strolled hand in hand with love
Everybody's been there
With danger on my mind I would stand on the line of hope
I knew I could make it
Once I knew the boundaries I looked into the clouds and saw
My face in the moonlight
Just then I realised what a fool I could be
Just cause I look so high I don't have to see me
Finding a paradise wasn't easy but still
There's a road going down the other side of this hill

Never forget where you've come here from
Never pretend that it's all real
Someday soon this will be someone else's dream

Been safe from the arms of disappointment for so long
Feel each day we've come too far
Yet each day seems to make much more
Sure is good to be here
I understand the meaning of "I can't explain this feeling"
Now it feels so unreal
At night I see the hand that reminds me of the stand I make
The fact of reality

REPEAT CHORUS

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more, But remember this
We're not invincible, we're not invincible, no
We're only people, we're only people
Hey we're not invincible, we're not invincible

So again I'll tell you

REPEAT CHORUS
