

Not like that - 1/1

Interprété par Ashley Tisdale.

I feel oh so glamouros
Lookin super fabulous
Sometimes I'm insurcure
Something I can't ignore

All the flashing Camras
Trying my best to handle em'
I'm just the girl next door
I can hear the rumors take all

All the girls at the club
Got their eye on me
I can tell by the look they want to be me
Hot Hot Hot Like That
No it's not not not like that
No it's not not not like that

All the girls at the club got their eye on me
They put me down cause of Jelalousy
Cause it's not not not that girl
No it's not not my world

All the girls at the club
Got their eye on me
I can tell by the look they want to be me
Hot Hot Hot Like That
No it's not not not like that
No it's not not not like that

All the girls at the club got their eye on me
They put me down cause of Jelalousy
Cause it's not not not that girl
No it's not not my world
