

## No it isn't (real last version) - 1/2

Interprété par Plus 44.

Please understand  
This isn't just goodbye  
This is I can't stand you  
This is where the road crashed into the ocean  
It rises all around me  
And now we're barely breathing  
A thousand faces we'll choose to ignore

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us past the lives that we destroy

I listen to you cry  
A cry for less attention  
But both my hands are tied  
And I'm pushed into the deep end  
I listen to you talk but talk is cheap  
And my mouth is filled with blood  
From trying not to speak  
So search for an excuse  
And someone to believe you  
In foreign dressing rooms  
I'm empty with the need to

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us past the lives that we destroy

Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation is leaving me overjoyed  
With fading lights that lead us past the lives that we destroy

Please understand

Lay rotting where I fall  
I'm dead from bad intentions  
Suffocated and embalmed  
And now all our dreams are cashed in  
You swore you wouldn't lose then lost your brain  
You make a sound that feels like pain

So please understand  
This isn't just goodbye  
This is I can't stand you
