

Nothing compares to you - 1/1

Interprété par Stéréophonics.

It's been seven hours and fifteen days
Since you took your love away
I go out every night and sleep all day
Since you took your love away
Since you've been gone I can do whatever I want
I can see whomever I choose
I can eat my dinner in a fancy restaurant
But nothing
I said nothing can take away these blues

'Cause nothing compares
Nothing compares to you

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
So tell me baby where did I go wrong
I could put my arms around every girl I see
But they only remind me of you
So I went to the doctor and guess what he told me
Guess what he told me
He said boy you better try to have fun no matter what to do
But he's a fool

'Cause nothing compares
Nothing compares to you

All the flowers that you planted mama
In the back yard
They all died when you went away
I know that living with me baby was sometimes hard
But I'm willing to give it another try

'Cause nothing compares
Nothing compares to you
