

## Positivity - 1/2

Interprété par Ashley Tisdale.

From where I stand I see  
A world of possibilities  
So don't be going negative on me baby  
Love is hard  
But that's alright  
Give it time  
It's worth the ride  
You know  
It's all in the way yo (you ?)

You're lookin' at me  
I'm lookin' at you  
What more do you want  
Show me some positivity  
It's all that I got  
It's leading me on  
Can't leave it alone  
Show me some positivity  
You're makin it harder  
Than it has to be  
So won't u please show me  
Some positivity

Wish I could get into your mind

So I could see if I'm inside  
'Cause I know that you're right here in mine, oh baby  
The glass is half full not empty  
Why do you think U won't get none  
You know it's all in the way yo (you?)

You're lookin' at me  
I'm lookin' at you  
What more do you want  
Show me some positivity  
It's all that I got  
It's leading me on  
Can't leave it alone  
Show me some positivity  
You're makin it harder  
Than it has to be  
So won't u please show me  
Some positivity

Don't bring me down  
Bring me down witcha baby, no  
I'm on a high up here

## Positivity - 2/2
