

## Against my will - 1/2

**Interprété par Tokio Hotel.**

How shall I feel ?  
You don't look at each other anymore  
Tokio And you think I don't recognize that  
Where shall I go now ?  
Hotel What did you thought by that ?  
Say it right into my face now  
Against Tell me why all this breaking apart  
It gets me down  
My  
It is against my will  
It is against every sense  
Why do you have to part now  
Will Re-name your names  
Our end is here  
And you don't tell me  
Songtexte I hate you for that  
It is against my will  
Against it  
Songtext I am against it

Have you already forgotten  
How it was once  
Lyrics Have you burned our pictures already ?  
I kneel in front of the windows  
Lyric Lock my door  
You shall not see that I can't take it anymore  
Liedertexte ...  
It gets me down

It is against my will  
It is against every sense  
Liedertext Why do you have to part now  
Re-name your names  
Alle Our end is here  
And you don't tell me  
I hate you for that  
Tokio It is against my will  
Against it  
I am against it  
Hotel  
Don't tell me your lies  
I don't want to hear them anymore  
Against The last bit of love  
You don't have to swear to me  
My I don't want to disturb you any longer  
You get me down  
Will Against my will
