

## Destiny - 1/1

**Interprété par Sunrise Avenue.**

I know the light ain't always upon me  
Sometimes the night takes me inside it  
Destiny, destiny

Gimme something I've been wanting  
Take my feelings to the sky  
Gimme something, I've been wondering  
Give my feelings wings to fly  
Destiny, is to be by your side

You are the light shining beside me  
I need you by all night and all day  
Destiny, destiny

Gimme something I've been wanting  
Take my feelings to the sky  
Gimme something, I've been wondering  
Give my feelings wings to fly  
Destiny, is to be by your side

Destiny  
Gimme something I've been wanting  
Take my feelings to the sky  
Gimme something, I've been wondering  
Give my feelings wings to fly  
Destiny
