

## Summer love / set the mood prelude - 1/2

Interprété par Justin Timberlake.

Ridin' in the drop top with the top down  
Saw you switchin' lanes girl  
Pull up to the red light, lookin' right  
Come here, let me pitch your name girl  
Tell me where you from, what you do, what you like  
Let me pick your brain girl  
And tell me how they got that pretty little face on that pretty little frame girl  
But let me show you 'round, let me take you out  
Bet you we could have some fun girl  
'Cause we can do it fast (fast), slow, whichever way you wanna run girl  
But let me buy you drinks, better yet rings  
Do it how you want it done girl  
And who would of thought that you could be the one 'cause I

I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)

Come on and let' me show you 'round  
Let me take you out, bet you we could have some fun girl  
'Cause we can dress it up, we can dress it down  
Any way you want it done girl  
Or we can stay home, talkin' on the phone  
Rappin' 'til we see the sun girl  
Do what I gotta do, just gotta show you that I'm the one girl  
Well I'm a freak you right, each and every night  
I know how to do it insane girl  
'Cause I can make it hot, make it stop  
Make you wanna say my name girl  
Come on baby please 'cause I'm on my knees  
Can't get you off my brain girl  
But who would of thought that you could be the one 'cause I

I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)  
'Cause I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)

The summer's over for the both of us (summer's over)  
But that doesn't mean we should give up on love (don't give up)  
You're the one I've been thinking of (you're the one)  
And I knew the day I met you you'd be the one (oh!)
