A Dickhead on parade
Do not have kids, don't want Dickheads to be made, Dickhead

Why you disrespectin' my bra, Dickhead ?
Why'd you p*ss me off in first class, Dickhead ?
I'm not sittin here to be treated like a dickhead

Bomba clatz, kin eh rass class

Where's the chorus, Dickhead ?

Give me my lighter

Isn't it lovely
That we can still be good friends ?
They say you've gone off me
Don't be so sloppy, Baby
Isn't it lovely
That we can still be good friends ?
I know you still want me
Because I'm so lovely, Baby

But they'll kick f**k out of you

You're going home in a Staffordshire ambulance

She was lookin' at me, Dickhead

And you are f*cking it, Dickhead !

Isn't it lovely
That we can still be good friends ?
They say you've gone off me
Don't be so sloppy, Baby

I know you still want me
Because I'm so lovely, Baby
