

## Karaoke star - 1/1

**Interprété par Robbie Williams.**

Did you do that girl that was in that soap  
Did ya, will you save the whale  
will you be Bob Hope ... Will ya  
I'll tell you about my Pepsi deal if you like  
A celebrity village bike with a mike  
I get more press when there's a war on

Come sing a song with me  
A simple symphony  
I'll be a karaoke star  
Lush strings and Timpani  
Have got it in for me  
Look how i'm dancing ... love

Justify what you get paid ... Can ya  
Doctors save lives and you get layed  
Don't ya, apologise for the job that you do  
It would be nice if you were talented too  
I think you better lock up your daughter

Come sing a song with me  
My simple symphony  
I'll be a kareoke star  
Lush strings and Timpani  
Have got it in for me  
Look how im dancing ... love

Everyone say I'm pretty  
Everyone say I'm handsome
