

## Not of this earth - 1/2

**Interprété par Robbie Williams.**

Not of this earth  
You've changed places with the sun  
I know that you're the one  
I love what we've become

Not of this earth  
I wear you like a shroud  
I know I'll make you proud  
You've done your crying now

She's not of this earth  
And I don't have the means to search  
If I ever leave this world  
You will have a song to sing  
So that you know what you are worth

Not of this earth  
She came walking down my lane  
I've learned to laugh again  
Like a moth to a flame

Not of this earth  
Not surprised we're unashamed  
She's gonna have to change her name  
Then we'll know that we're the same

She's not of this earth  
And I believe we've seen the worst  
If I ever leave this world  
You will have a song to sing  
So you know what you are worth

Not of this earth  
[Better get used to this]  
Not of this earth  
[Gonna be around for a while]

Not of this earth  
[Spend too much time being cursed]

Not of this earth

Not of this earth  
You changed places with the sun  
I know that you're the one  
I love what we've become

## Not of this earth - 2/2

Not of this earth  
I wear you like a shroud  
I know I'll make you proud  
You've done your crying now

Not of this earth  
Not of this earth  
Not of this earth  
Not of this earth

Not of this earth  
Not of this earth  
Not of this earth
