

Just so you know - 1/2

Interprété par Jesse Mccartney.

I shouldn't love you
but I want to,
I just can turn away
I shouldn't see you
but I can't move
can't look away

I shouldn't love you
but I want to,
I just can turn away
I shouldn't see you
but I can't move
can't look away

And I don't know
How to be fine, when I'm not
Cause I don't know
How to make this feeling stop

CHORUS

Just so you know
this feelings taking control of me
and I can't help it
I won't sit around
I can't let it win now
I thought you should know
I tired my best to let go, of you
but I don't want to
I just gotta say it all before I go
Just so you know

It's getting hard to, be around you
There's so much I can't say
and do you want me to have feelings
and look the other way

And I don't know
how to be fine, when I'm not
Cause I don't know
How to make this feeling stop

CHORUS

Just so you know
this feelings taking control of me
and I can't help it
I won't sit around
I can't let it win now

Just so you know - 2/2

I thought you should know
I tired my best to let go, of you
but I don't want to
I just gotta say it all before I go
Just so you know

This emptiness is killing me
and I'm wondering why I waited so long
Looking back I realized,
it was always there to stand spoken
and I'm waiting here
been waiting here

mmmm.....

REFRAIN

Just so you know
this feelings taking control of me
and I can't help it
I won't sit around
I can't let it win now
I thought you should know
I tired my best to let go, of you
but I don't want to
I just gotta say it all before I go
Just so you know
