

## Toes - 1/1

**Interprété par Norah Jones.**

The current is strong from what I've heard  
It'll wisk you down the stream  
But there never seems to be much time

My toes just touched the water  
My toes just touched the water

Daydreamed on the bank again  
I was swimming with the fish  
And I thought this time that it may be true

(But) My toes just touched the water  
My toes just touched the water  
My toes just touched the water

Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin - to move

Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin - to move

The spoiled sun up over there  
It always has to have its way  
And I know that the river's there to shelter me

My toes just touched the water  
My toes just touched the water
