

Cold cold heart - 1/1

Interprété par Norah Jones.

I've tried so hard, my dear, to show that you're my every dream
Yet you're afraid each thing I do is just some evil scheme
A memory from your lonesome past keeps us so far apart
Why can't I free your doubtful mind and melt your cold cold heart ?

Another love before my time made your heart sad and blue
And so my heart is payin' for things I didn't do
In anger, unkind words I say that make the teardrops start
Why can't I free your doubtful mind and melt your cold cold heart ?

Another love before my time made your heart sad and blue
And now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart
Why can't I free your doubtful mind and melt your cold cold heart ?
