Interprété par Nena.

Are you ready
Are you ready
Are you ready
Are you ready
Are you ready
Are you ready
Are you ready
Are you ready

Are you ready for the time of your life ?
It's time to stand up and fight it's alright
Hand in hand we'll take a caravan
To the motherland

One by one we're gonna stand up with pride
One that can't be denied
Stand up
From the highest mountain valley low
We'll join together with hearts of gold

Now the children of the world can see
There's a better place for us to be
The place in which we were born
So neglected and torn apart

Every woman every man join the caravan of love
Stand up stand up
Everybody take a stand join the caravan of love
Stand up stand up

I'm your brother
He's your brother don't you know
I'm your sister
She's your sister don't you know

Every woman every man join the caravan of love
Stand up stand up
Everybody take a stand join the caravan of love
Stand up stand up

Every woman every man join the caravan of love
Stand up stand up
Everybody take a stand join the caravan of love
Stand up stand up

Everybody
