

## Someone said goodbye - 1/2

**Interprété par Enya.**

Summer. When the day is over  
There's a heart a little colder  
Someone said goodbye  
But you don't know why  
Somewhere there is someone keeping  
All the tears they have been weeping  
Someone said goodbye  
But you don't know why

Is there a reason  
Why a broken heart begins to cry ?  
Is there a reason  
You were lost although you don't know why ?  
Give me a reason  
Why you never want to say goodbye  
If there's a reason  
I don't know why

Always looking for meaning  
All the time you keep believing  
But I don't know why  
You won't say goodbye

Even when the sun is shining  
You don't see the silver lining  
But I don't know why  
You won't say goodbye

Is there a reason  
Why a broken dream can never fly ?  
Is there a reason  
You believe and then you close your eyes ?  
Give me a reason  
Why you hide away so much inside  
If there's a reason  
I don't know why

Is there a reason  
Why a broken heart begins to cry ?  
Is there a reason  
You were lost although you don't know why ?  
Give me a reason  
Why you never want to say goodbye  
If there's a reason  
I don't know why  
I don't know why  
I don't know why
