

## To be loved - 1/1

**Interprété par Ronan Keating.**

The song of a little bird  
The joy in three little words  
I know it's real, this is how it feels  
To be loved by you  
The stars from a midnight sky  
The melody from a lullaby  
There's nothing real, that I wouldn't steal  
To be loved by you

To be loved by you  
If everybody knows, it's only 'cause it shows

A smile to put you on a high  
A kiss that sets your soul alight  
Would it be all right if I spent tonight  
Being loved by you

To be loved by you  
If everybody knows, it's only 'cause it shows

So carry me carry me away from here  
All my days 'till the twilight of my life

I know what it is I need,  
It's clear as a shallow stream  
It's as it seems, my only dreams  
To be loved by you
