I pack my case I check my face I look a little bit older I look a little bit colder

With one deep breath And one big step I move a little bit closer I move a little bit closer

For reasons unknown ...

I caught my stride I flew and flied I know if destiny's kind I've got the rest on my mind

But my heart It don't beat It don't beat the way it used to And my eyes, they don't see you no more And my lips, they don't kiss They don't kiss the way they used to And my eyes don't recognize you no more ...

There was an open chair

We sat down in The open chair I said if destiny's kind I've got the rest on my mind

But my heart It don't beat It don't beat the way it used to And my eyes, they don't see you no more And my lips, they don't kiss They don't kiss the way they used to And my eyes don't recognize you at all

For reasons unknown For reasons unknown

Said my heart it don't beat

It don't beat the way it used to And my eyes don't recognize You no more

And my lips they don't kiss They don't kiss the way they used to And my eyes don't recognize you No more
