

Never want to let you go - 1/1

Interprété par Take That.

Lying here beside you, in a cloud of warmth
I've been awake all night but move
Though I know I should
Counting curls n your hair, as you sleep so tight
I wonder if you'll ever know 'till I go
The chances are you'll be there too some day
We'll never know, let's hope

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let me go

Dreaming soft in silence, been working hard all day
Still in the night grows darker, I'm with you in every way

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let me go

I don't know whether I'm trying to love, love you baby
Been round long enough to know
