

## Relight my fire - 1/1

Interprété par Take That.

Help me escape this feelin' of insecurity  
I need you so much but I don't think you really need me  
But if we all stand up in the name of love  
And state the case of what we're dreamin' of  
I've got to say I only dream of you  
But like a thief in the night you took away the love that I knew

Relight my fire, your love is my only desire  
Relight my fire cos I need your love

Turn back the times 'til the days when our love was new  
Do you remember  
No matter what was happenin', I was there with you  
But if we all stand up for what we believe  
And maybe live within our possibilities  
The world would be wild for the dream  
So baby don't turn away, listen to what I gotta say

Relight my fire, your love is my only desire  
Relight my fire cos I need your love  
Relight my fire, your love is my only desire  
Relight my fire cos I need your love, yeah

You gotta be sure enough to walk on through the night  
There's another new day on the other side  
Cos I got hope in my soul I keep on walkin' baby

Relight my fire, your love is my only desire  
Relight my fire cos I need your love  
Relight my fire, your love is my only desire  
Relight my fire cos I need your love, yeah
