

Do you - 1/1

Interprété par Ne-Yo.

Maybe this decision was a mistake
You probably don't care what I have to say
But it's been heavy on my mind for months now
Guess I'm tryna clear some mental space
I would love to talk to you in person
But I understand why that can't be
I'll leave you alone for good I promise
If you answer this one question for me

I just wonder ... do you ever
Think of me ... anymore, do you

First off let me say congratulations
Heard that you just had a baby girl
If she looks anything like her mother
She's the prettiest thing in the world
Swear that I'm not tryna start no trouble
Tell your fiance he can relax
I'll leave you alone for good I promise
There's a question I just got to ask

I just wonder ... do you ever
Think of me ... anymore, do you

I know what we had is dead and gone
Too many times I made you cry
And I don't mean to interrupt your life
I just wonder do I ever cross your mind

I just wonder ... do you ever
Think of me ... anymore, do you
I just wonder ... do you ever
Think of me ... anymore, do you
I just wonder ... do you ever
Think of me ... anymore, do you
