

Lie about us (avec avant) - 1/3

Interprété par Nicole Scherzinger.

Baby I know when we started out
There were things you didn't know
But babygirl we got a lotta things we
Need to discuss
I know I'm asking for a lot
But just trust
You say that things getting old sneakin'
Round creepin' and love on the low
But babygirl I can't wait
Till' it's officially us
I can't wait to
Let them know about us

First I taught that I could take you boy
But I don't know
You told me you were gonna leave her for me
Long ago

Eventually I will
But I just gotta take it slow
Don't wanna break her heart
Although I gotta let her go
So baby ...

So please don't say you wanna give up
How do I tell her that I'm fallen in love ?
And I know your waiting patiently for that day
When we no longer have to lie about us
When I'm with her all I want is your touch,
And when you call me I don't wanna hang up
And I know I say it often but I can't wait
Till' we no longer have to lie about us

Baby I know situation don't seem fair to us both.
But babygirl, she's an issue that I'm bout to adjust
Don't mistake the love we make for just lust,
You are my soul, mind, body, spirit all that I know
But babygirl I can't wait till' it's officially us
I can't wait to tell the world about us

First I taught that I could take you boy
But I don't know
You told you were gonna leave her for me
Long ago

Eventually I will
But I just gotta take it slow
