

All i need to know - 1/1

Interprété par Emma Bunton.

A lot of bridges
I shouldn't be so scared
To burn
A lot of lessons
I shouldn't be so scared
To learn

If I could lose the worst of me
Hold on, to what remains

And all I need to know is you're changing me
And help me be the most that I can be
And turn into the one last missing piece
When it all comes down
When it all comes down

A lot of people
Don't seem to understand
My point of view
It doesn't matter
Cos I love the way I am
With you

Cos you can take the worst of me
Hold on to what remains

And all I need to know is you're changing me
And help me be the most that I can be
And turn into the one last missing piece
When it all comes down
When it all comes down

I love, I love, I love, I love, I love the way you let me
Love you, love you, love you like I do

And all I need to know is you're changing me
And help me be the most that I can be
And turn into the one last missing piece
When it all comes down
When it all comes down
When it all comes down
