How do I breathe mmm mmm..  
Feels so different being here  
I'm so used to being next to you  
Life for me is not the same  
Theres no-one to talk to  
Don't know why I let it go too far  
Starting over it's so hard  
Seems like everywhere I try to go  
I keep thinking of you  
I just had a wakeup call  
Wishing that I never let you fall  
Baby your not to blame at all  
When i'm the one that pushed you away  
Baby if you knew I care  
You never would've went nowhere  
Girl I should have been right there

How do I breathe  
Without you here by my side  
How will I see  
when Your love brought me to the light  
Where do I go  
When your hearts where I lay my head  
When your not with me  
How do I breathe  
How do I breathe

Girl I'm losing my mind  
Yes I made a mistake  
Thought that you would be mine  
Guess the joke was on me  
I miss you so bad I cant sleep  
I wish I knew where you could be  
Another dude is replacing me  
Girl this cant be happening  
I just had a wakeup call  
Wishing that I never let you fall  
Baby your not to blame at all  
When i'm the one that pushed you away  
Baby if you knew I care  
You never would have went nowhere  
Girl I should have been right there

and I wonder  
How do I breathe  
Without you here by my side  
How will I see

Where do I go  
When your hearts where I lay my head  
When your not with me

I cant get over you no  
Baby I dont wanna let go  
Girl you need to come home  
Back to me  
Cause girl you made it hard to breathe  
When your not with me

Tell me  
How do I breathe  
Without you here by my side  
How will I see  
When Your love brought me to the light

When your hearts where I laid my head  
When your not with me
