Simona

You're getting older
The journey's been
Etched on your skin

Simona

I guess i know this
We seemed so strong
We've been there and gone

I will call you up everyday saturday night
And we both stayed out 'til the morning light
And we sang, 'here we go again'
And though time goes by
I will always be
In a club with you
It was nineteen seventy three
Singing 'here we go again'

Simona

Wish i was sober
So i could see clearly now
The rain has gone

Simona

I guess it's over
My memory plays our tune
The same old song

I will call you up everyday saturday night
And we both stayed out 'til the morning light
And we sang, 'here we go again'
And though time goes by
I will always be
In a club with you
It was nineteen seventy three
Singing 'here we go again'

I will call you up everyday saturday night
And we both stayed out 'til the morning light
And we sang, 'here we go again'
And though time goes by
I will always be
In a club with you
It was nineteen seventy three
Singing 'here we go again'
