

## Ex's and oh's - 1/1

You took me home  
I drank too much  
'Cause of you my liver turned to dust  
Cold rust taste  
A cruel creeping cold pain  
Do you understand what I mean?  
When you feel your soul drop to the floor  
Like a hole  
Like an open bleeding sore  
Then you'll have bled like I bled  
And you'll have wept as I've wept

Suck me down, it's time to rock and roll!  
Let's hit the bar, let's lose control!  
One false move, you took me home...  
One false move, you're all alone...

But it looks so good and it feels so nice  
I paid the price  
I'll cut you out just to hear you scream,  
Get away from, get away from me!  
And I can feel my heartbeat racing  
As I realize what I must do  
Get away from,  
Get away from,  
Get away from me!!!

I should have turned and ran like hell  
Last time I got the taste of you  
I should have turned and ran like hell  
And I'll see we're through  
I should have turned and ran like hell  
Last time I got the taste of you  
I should have turned and ran like hell  
And I'll see we're through  
And I'll see we're through

You fell upon me like a plague  
Weakness, sweet weakness  
But I digress...  
After all this...  
You're just like all the rest

Suck me down, it's time to rock and roll!  
Let's hit the bar, let's lose control!  
One false move, you took me home...  
One false move, you're all alone...
