

## Die alive - 1/1

**Interprété par Tarja Turunen.**

Open up the night.  
Led by just a feeling.  
All around is light.  
Everything is healing.

No more fate ans no more mystery.  
Even as time falls away  
I live my days, every moment and its memory,  
not only to survive to die alive.

Overwhelming love, heaven's just a feeling.  
Singing in my blood keeping me from kneeling.

No more fate ans no more mystery.  
Even as time falls away  
I live my days every moment and its memory,  
not only to survive to die alive.

Die Alive.

No more fate ans no more mystery.  
Even as time falls away  
I live my days every moment and its memory,  
not only to survive to die alive.

Die Alive.

Die Alive.
