From Quebec to California
It's a long long way to go
You say you stand
And you dance several
And hours above
It does not matter
Cause I'll be with you

From Quebec to California
Is a country choc they say
From friends and snow
Rock'N'Roll days express from them are long
It does not matter
Cause I'll be with you
No It's does not matter
Cause I'll be with you

Why these pretend
Talk about
A fine same from the sky
À bientôt, adieu my friends
Kiss Mama, good bye
Kiss Mama, good bye

From Quebec to California
Sometimes wonder why I say
Lets Jean-François bye bye
Why I leave the rain
It does not matter
Cause I'll be with you
No It does not matter
Hope to be with you

Hope to be with you
