I see the people who've let go
as if their life's a big zero
I'm only fiftien, and I know,
whoa whoa... cherish life
Cherish life, oh... cherish your life

You must believe me, I have too
a flash of hope, some white nights too
But after all the sun for me will always shine

Crazy, crazy of life
Shout with all of your might
Crazy, crazy of life
Yes, you can win the fight
Crazy, crazy of life from the very start
Deep in my heart
Crazy, crazy of life
No... I don't care if it rains on me,
all of the time
Whoa whoa... you are mine

I dream of Jacques Brel and Mozart,
I feel so small, we're miles apart
So much to give, so much to share
as long as you're there
Cherish life, oh... cherish your life

He doesn't treat me like a child,
the joy he brings me with his smile
Bye bye Jacques Brel, bye bye Mozart
'Cause here I go again

Crazy, crazy of life
Shout with all of your might
Crazy, crazy of life
Yes, you can win the fight
Crazy, crazy of life from the very start
Deep in my heart
Crazy, crazy of life

So what? - Let it rain on me

Crazy, crazy of life
Shout with all of your might
Crazy, crazy of life

Crazy of life (j'aime la vie) - 2/2

Yes, you can win the fight
Crazy, crazy of life from the very start
Deep in my heart

Crazy, crazy of life
Shout with all of your might
Crazy, crazy of life
Yes, you can win the fight
When I'm feeling bad,
I know what we have
And it makes me glad -

Crazy, crazy of life
No... I don't care if it rains on me,
all of the time
Whoa whoa... my life -
yes, you are mine
